

Matthias Hollwich
Founder, HWKN

Matthias Hollwich, AIA, is an architect who has established himself at the forefront of a new generation of groundbreaking international architects. Matthias believes the key to successful architecture lies in finding new and exciting ways to create relationships between people and buildings. He was recently honored in Fast Company's ranking of the world's top 10 most innovative architects and was on Business Insider's list of the top business visionaries. Matthias has spoken regularly at events such as TED and PICNIC, and teaches architecture as a visiting Professor at the University of Pennsylvania.
